

Welcome to the Library

2021

This year students will visit the library each week for borrowing and library lessons. For terms 1 and 2, students will participate in Science, Technology, Music and Drama lessons.

We had a later start to borrowing this year, as we didn't have access until week 4. In the last few weeks, students have been learning how to borrow books, where to locate "good fit" books, and how to look after our Library.

Students have the opportunity to borrow each week, provided any books they have borrowed have been returned within the two week period.

Students will need to bring some sort of bag to be able to take books home with them. This is to ensure the books are not damaged in transport. This can be any tote bag, shopping bag or library bag.
