

Construction to begin...soon!

Our school is about to commence a phase of major construction and improvements. The first items of work include removing our fixed play equipment and some trees in preparation for the delivery of a new demountable. This will be happening over the next couple of weeks. Year 4 have relocated to the library for the remainder of the year, and the office have partially relocated to the rooms next door to Year 6. Internal work is commencing in the office on Monday which will see the office fully relocate temporarily next door to Year 6. Block E (Year 4 & Office) will be remodelled with the new demountable to develop our new support unit. The fixed play equipment will then be reinstalled in a suitable location. Temporary fencing will be installed to ensure that students, families, staff and builders are safe during our developments.

2020 Planning

Our next planning session is Tuesday December 3 in the library between 5-7pm. It would be great if you could come and join us. Find out about classes and teachers, our major refurbishment and the plans we have in store for our funding in 2020. Light refreshments provided. We hope to see you there!

Professional Learning Calendar (PL)

The purpose of this calendar grew as an initiative from our recent 2020 Planning session with our families. This calendar will detail the professional learning activities of our staff. It may help our families have conversations at home about upcoming changes to the normal daily routines at school for our students.

Week	Monday	Tuesday	Wednesday	Thursday	Friday
