

2020 Planning

Thank you to the families that were able to make one of our 2020 Planning sessions this year. We had a bigger turn out this year compared to previous years and we are very appreciative of parents and carers who gave up their time to help us shape our future plans. Most importantly, it was great to hear the very valuable feedback on the great things we do at school and how we can make them even better together!

In summary, we will have 9 classes at this stage for next year. We are close to needing to form an additional class, so if you know of anyone who may be moving into or out of our area, please encourage them to contact the school as soon as possible so that our numbers are as accurate as they can be as we head in to 2020.

We will have two Kindergarten/Year 1 classes (Melanie Bishop, Mark Rumford), Year 2/3 (Kerrie Grenell), Year 3/4 (Annabelle Taylor), Year 4/5 (*unfilled*) and Year 5/6 (Edie Forrest). In addition to our six mainstream classes we will have our three support classes (Madalyn Clare, Samuel Crawley and one position *unfilled*). We welcome Alicia Drewe to our school in 2020 as Assistant Principal Special Education. Jacqueline Pearce is our Instructional Leader, and Hannah Bullivant and Kyle Brewis are our Assistant Principals K-2 and 3-6 respectively. Rachel Visintin will be joining our team full time next year so that all of our students can benefit from amazing visual arts, music and technology programs.

Carina Zissis and Julie Phillips will be joining the team at Biddabah Public School next year. Danielle Dwyer will continue to work with our school in a casual capacity and Alison Tuck will be taking a leave of absence.

Presentation Day

We are eagerly anticipating our annual Presentation Day next week. Presentation Day is on Wednesday 11 December. The proceedings will start at 9:30am and will conclude at approximately 11am. We look forward to sharing the amazing achievements of our exceptional students at this special day. All families are more than welcome to attend this very special day.

Our current focus is on being LEARNERS.

'I am a learner when I am focused on a task.'

Dunkley says, 'I am safe. I am respectful. I am a learner.'
