High School Expression of Interest, 2020

Students in Year 6 will each be provided with a 'Moving Into Year 7 in a NSW Government School in 2020' booklet at the end of Week 6. This booklet contains the 'Expression of Interest Form (EOI)'. The school will identify the designated local high school for each individual student based on the residential address on school record. If you have moved in recent times or have not updated any personal information since enrolling to Mount Hutton Public School please contact the school office as soon as possible.

Non-Local High School

If your high school preference is a non-local school, parents and carers must list the preferred high school in 'Choice 1' on Page 6 of the Expression of Interest form and outline the reason for seeking placement at that school. There is also a Choice 2 and Choice 3 option for 2nd and 3rd preferences other than your local high school.

Local High School

If you wish for your child to attend your local high school (as indicated on the EOI form), you will only be required to sign and fill in the student information section on Page 5.

Non NSW Government School

Students not seeking enrolment in a NSW government school next year will still be required to fill out the student information section and 'Section E' of the form.

More information about High School enrolment can be found by visiting:

<https://education.nsw.gov.au/public-schools/going-to-a-public-school/enrolment/high-school-enrolment>

An electronic copy of the EOI form can be found on the following website:

Parents and Carers MUST return the completed 'Expression of Interest' form to the school office on or before Tuesday 19 March 2019.
